

Do You Want To Sell Your Sled?

Let us sell it for you!

Avenue is looking for **USED SNOWMOBILES** to sell from \$1,000 to \$5,000. You could sell your machine **in your front yard** to whomever happens to drive by when you are home **for whatever you can get**...or let Avenue **sell it for you** in our store, 6 days a week, all day long, and on our AvenuePower web site 24/7 **for a higher price!** If you're in the market to trade or sell, **bring your machine to Avenue** and let's talk! If the price is right, we could **buy your old sled outright**, but if you want a **higher price** for your machine, **we'll sell it for you** on consignment. Either way **YOU'LL GET YOUR PRICE** for your machine!

Avenue is the newest dealer in town and we will not be undersold!
We will beat any non-trade identical written offer or we will give you a \$50 gift certificate!

In the yard or on the trail, Avenue has something for you!
